

**A Benefit Supporting Hope Harbor**  
**Friday, June 14, 2024 7pm-10pm**  
**The Charleston, Bowling Green, KY**

The mission of Hope Harbor is to support and empower anyone impacted by sexual harm. Our vision is to end sexual harm by being a beacon of safety and social change for all communities through support, prevention, and engagement.

Hope Harbor is a non-profit sexual assault trauma center that provides one-of-a-kind services to survivors of sexual violence and their families and friends. These services are available to residents in Allen, Barren, Butler, Edmonson, Hart, Logan, Metcalfe, Monroe, Simpson, and Warren Counties in Kentucky. The main office is in Bowling Green with satellite offices for additional counseling services located in Glasgow and Franklin, Kentucky.

Over the past year, Hope Harbor has served over 730 survivors in a multitude of ways. 20% of these survivors are under the age of 18. We served 197 (37%) more survivors in 2023 than the previous year. How has Hope Harbor served these survivors and the community?

- 1016 emergency crisis calls
- 682 legal justice advocacy calls
- 2,300 counseling sessions
- 5,515 education and prevention program participants
- 430 professional training participants

Hope Harbor is 100% funded through grants, donations, and fundraising events. We rely on community members like you to keep our doors open and our services free to survivors and their families in South Central Kentucky. Funds raised at this event will go directly to support our mission. Your sponsorship has an impact on the life of a survivor!
